

[Nancy Lee Mining Co.]

Form FWP-M-501

WPA - Montana

Federal Writers' Project

Small Metal Mining Questionnaire

TOPIC:

COUNTY: Mineral

WORKER: Pearl B. Crane

DATE: June 3, 1939

Miner at work No.

1. Name of mine: Nancy Lee Mining Company
2. Type of mine (placer, Quartz, etc.): Lead, silver and gold, quartz lodes of approximately 600 acres.
3. Approximate distance from Superior: Nine miles.
4. Location. (locate as closely as possible with reference to creeks, gulches, towns, roads, etc.). Three and one-half miles Northerly from the Chicago, Milwaukee, St. Paul and Pacific Railway tract approximately one mile west of Superior on Highway No. 10. Can also be reached by driving farther West on the highway, approximately one mile and

Library of Congress

turning at the Pittsburg Ranch (formerly Paul Westfall ranch) up [Slowey?] Gulch about 2 1/2 miles.

5. Principle components of ore (gold, silver, lead, zinc)

Lead, silver and gold.

6. Number of man employed: No crew on at present

7. Name of person in charge of work at mine:

Milo Skero, Superintendent

8. Miscellaneous data.

This mine constitutes the old King and Queen, [ORAN?], Pittsburg, Eldorado Group, Keystone and [Broken?] Hill. Several thousands of dollars were taken from the King & Queen and Pittsburg in the 1890's. Fred W. Wilson of Keystone is the most likely person to contact regarding the amounts and early days in those mines.

9. Source of information (give location of document or name and address of person interviewed)

Milo Skero, Superior P. O. Mr. Skero resides at the property and is reached via Slowey Gulch, as described under number four.
